```
graph LR; A["bot_digger_analysis.envs.test<br/>_robo_saw_splines.TestRSAS.fcn<br/>_gen_buffer_to_perfect"] --> B["bot_digger_analysis.envs.test<br/>_robo_saw_splines.TestRSAS.test_alg_1"]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains three lines of text. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and also contains three lines of text. A curved blue arrow starts from the top of the right box and points back to the top of the right box, forming a self-loop.
