

object

```
graph BT; A[scripts.database.Operation Definition] --> B[object];
```

A diagram illustrating a relationship between two classes. At the bottom is a gray rectangular box with a black border containing the text "scripts.database.Operation Definition". A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box with a gray border at the top. The white box contains the text "object".

scripts.database.Operation
Definition
